

Good Afternoon,

PLEASE ENSURE WIDEST DISSEMINATION OF THIS MESSAGE.

SUBJECT: Program Director Search - Tripler Army Medical Center Internal Medicine Residency Program

1. Tripler Army Medical Center is seeking interested applicants for the position of Program Director for its Internal Medicine Residency Program.

2. The following criteria will be used in the candidate evaluation process:

- a. Internal Medicine expertise and documented educational and administrative experience.
- b. Current certification in Internal Medicine from the American Board of Internal Medicine.
- c. Possession of current unrestricted medical licensure and an appropriate medical staff appointment.
- d. Active faculty membership in a GME program with prior GME leadership experience and recent scholarly activity is desired. A minimum of 3 years of experience as residency faculty would be ideal.
- e. Formal or informal training in the knowledge, skills, and attitudes necessary to direct the teaching, supervision, and evaluation of residents.

3. Candidates should be available for reassignment to Tripler Army Medical Center by 1 May 2019, although earlier reporting preferred if possible.

4. Active duty physicians interested in being considered for this position should submit an application package to their service POC NLT 22 August 2018.

The application should include the following:

- a. Statement of desire and commitment.
- b. Curriculum vitae (with email address and contact phone number, pager or cell phone number).
- c. Current copy of Officer Record Brief.
- d. Two letters of recommendation, one of which must be from the candidate's immediate supervisor.
- e. List of three additional references with email addresses.

Please call Linda Diehl (703) 681-8043 if you have any questions on the application process; please contact the TAMC DME, LTC Joseph Sterbis, joseph.r.sterbis.mil@mail.mil for questions about the position.
