**From:** Commanding Officer, Naval Medical Leader & Professional Development Command  
**To:** Commander, Bureau of Medicine and Surgery (M7)  
**Via:** Commander, Naval Medical Forces Support Command

**Subj:** BASIC READINESS OFFICER COURSE GO-LIVE UPDATE

1. Naval Medical Leader and Professional Development Command (NMLPDC) requests BUMED M7 assist with promulgating the updated Basic Readiness Officer Course (B-ROC) go-live on Navy eLearning to applicable organizations within the Navy Medicine Enterprise.

2. The Basic Readiness Officer Course is divided into four units. B-ROC Unit 1 is now hosted live on Navy eLearning (NeL). Subsequent units will be hosted on NeL once updates have been finalized. The course is located within the Center for Force Health Protection (CFHP) catalog, and the number of each unit is reflected below:

a. Basic Readiness Officer Course Unit 1: Organizational Structure, Relationships, and Policy  
Course Number: CFHP-NMLPDC-21-BROC-U1-V01

b. Basic Readiness Officer Course Unit 2: Utilization and Management of Resources Course  
Course Number: CFHP-NMLPDC-21-BROC-U2-V01

c. Basic Readiness Officer Course Unit 3: Operational Policies and Procedures  
Course Number: CFHP-NMLPDC-21-BROC-U3-V01

d. Basic Readiness Officer Course Unit 4: Navy Medicine Division Officer (DIVO)/Department Head (DH) Functions and Sailorization  
Course Number: CFHP-NMLPDC-21-BROC-U4-V01

3. Point of contact for this matter is LT Timothy Rutherford, who can be reached at (301) 319-8051, or [timothy.s.rutherford.mil@mail.mil](mailto:timothy.s.rutherford.mil@mail.mil).
