

Navy Medicine Health Informatics is excited to announce that the VA Health Informatics Certificate Program is now accepting applications for the Spring 2025 session. This program, designed in collaboration with the American Medical Informatics Association (AMIA), offers a comprehensive overview of health informatics and its applications in improving healthcare delivery. For the Spring 2025 cycle, we have 2 seats provided by the VA to the Navy through DHA. Additionally, BUMED will be funding 5 more seats through the AMIA approved course listed below. There will be a total of **7 Navy selectees** for this upcoming Spring 2025 cycle.

***All seven applicants will be selected through the DHA application process outlined in the attached flyer, and in the “How to Apply” steps below.**

Why Enroll?

- **Expert-Led Curriculum:** Learn from leading experts in the field of health informatics.
- **Flexible Learning:** The program is delivered online, allowing you to balance your studies with your professional commitments.
- **Career Advancement:** Equip yourself with the skills needed to lead health informatics initiatives within the Navy and beyond.

VA AMIA 10x10 Program Highlights:

- **Duration:** January 6 – July 25, 2025
- **Format:** Online, self-paced with recorded lectures and interactive activities
- **Application Deadline:** October 14, 2024
- **Applicants Notified:** December 6, 2024

Oregon Health and Sciences University - Introduction to Biomedical and Health Informatics ([OHSU AMIA 10x10](#))

- **OHSU Online Registration Deadlines:** December 18
- **Duration:** December 4 – March 19, 2025
- **Format:** Online, self-paced with recorded lectures and interactive activities
- **Application Deadline:** October 14, 2024
