3. In line with section 619 of title 10, U.S. Code, reference (a), and pursuant to CNO's recommendation, the Secretary of the Navy has excluded from consideration for promotion those officers whose established separation dates are within 90 calendar days after the convening date of the board for which they would have otherwise been eligible, with the exception of eligible officers in the competitive categories of Engineering Duty Officer, All Limited Duty Officer Communities, Medical Corps, Medical Service Corps, Nurse Corps, and Dental Corps. Those selection boards will consider officers in those competitive categories who have an established separation date within 90 calendar days after the board. Modifications to established separation dates made on or after the date the board convenes will not change the eligibility status of such officers for consideration by the board.

4. For promotion to the grade of lieutenant and chief warrant officer, W-2, an All-Fully-Qualified-Officers List (AFQOL) consisting of those officers recommended for promotion on their recent fitness reports will be sent to the Secretary. The Secretary will certify the AFQOL and forward the list with an associated appointment scroll to the Secretary of War. Those officers determined not fully qualified for promotion will be omitted from the AFQOL, constituting a failure of selection. Officers who have previously twice failed of selection for promotion to lieutenant or chief warrant officer, W-2, will not be eligible for consideration by subsequent AFQOL processes. The All-Fully-Qualified (AFQ) standard applies to all designators. The AFQ standard will also be utilized for the mid-year active-duty lieutenant Judge Advocate General's Corps and Chaplain Corps promotions and any officers administratively missed when the original lists were compiled.

5. Only eligible officers may communicate with a promotion selection board via the Letter to the Board (LTB) process. NAVADMIN 220/19 announced the introduction of a new application known as Electronic Submission of Selection Board Documents (ESSBD), accessible through MyNavy Portal (MNP). ESSBD improves the speed, transparency, and confidence of receipt over previous LTB submission methods, such as hard copy and e-mail submitted letters and related attachments.

a. ESSBD provides board candidates with the capability to electronically submit LTBs in a standard, consistent format, with or without attachments and will allow the candidate to see (for content and clarity) exactly what will be delivered and presented to the board.

b. To utilize ESSBD, candidates must access document services through MNP at <https://mn3p.navy.mil/web/advancement-and->

promotion?utm_source=mnpprivate. On-screen instructions will direct the submitter thereafter.

c. Submission and subsequent receipt acknowledgement for LTBs submitted via ESSBD or other means does not constitute confirmation of eligibility for the boards to which LTBs are submitted. If required, a full visual user guide is available at

https://mn3p.navy.mil/web/advancement-and-promotion?utm_source=mnpprivate.

d. LTBs must be received by Navy Personnel Command not later than 2359 (Central Standard Time (CST)) 10 days prior to the convening date of the respective board, as noted below. Submitters are cautioned to not wait until the deadline date to submit LTBs via ESSBD or other available avenues.

Selection To	Convening Date	Due Date / Time
Line Captain	13 JAN 26	2 JAN 26 / 2359 CST
Staff Corps Captain	10 FEB 26	30 JAN 26 / 2359 CST
Line Commander	18 FEB 26	7 FEB 26 / 2359 CST
Staff Corps Commander	4 MAY 26	23 APR 26 / 2359 CST
Staff Corps Lieutenant Commander	4 MAY 26	23 APR 26 / 2359 CST
Line Lieutenant Commander	11 MAY 26	30 APR 26 / 2359 CST
Chief Warrant Officer 5/4/3	8 JUN 26	28 MAY 26 / 2359 CST

e. If unable to use ESSBD, the CSCSELBOARD@navy.mil mailbox account is capable of receiving encrypted correspondence in line with Department of War policy. If sending a board package from a non-NMCI network (bumed.mil, eu.navy.mil, etc.), please review procedures listed in NAVADMIN 220/19.

f. The written communication may call the boards attention to any matter concerning the record of the officer that the officer considers important. Written communication may include, as enclosures, correspondence from any individual concerning the eligible officer. Correspondence not originated by the eligible officer, including endorsement to the letter of the eligible officer and letters written on behalf of that officer, must contain a written acknowledgement by the eligible officer they desires such correspondence be presented to the board. Correspondence without such an acknowledgement is considered third party correspondence and will be rejected without being presented to the board. Classified correspondence will not be accepted.

6. Questions regarding LTB submission should be directed to MyNavy Career Center (MNCC) by calling 1-833-330-MNCC (1-833-330-6622/DSN: 882-6622).

7. The Secretary of the Navy has authorized the active-duty list line and staff corps promotion boards for the grades of captain, commander, and lieutenant commander to reorder their recommended promotion list based on particular merit as allowed by section 616 of title 10, U.S. Code. An officer may be placed higher on a promotion list only if the officer receives the recommendation of at least a majority of the members of the board. For officers recommended to be placed higher on a promotion list, the board will recommend the order in which those officers should be placed on the list.

8. In-zone and above-zone eligible officers in the grades of chief warrant officer 2/3/4, lieutenant, lieutenant commander, and commander, whose placement on the active-duty list is within one year of the convening dates of these boards, are automatically deferred unless they specifically request to be considered. The officer may waive this deferment and request consideration for promotion, in writing, emailed to
 NPC_Officer_SELBD_Elig_Waivers.fct@navy.mil or mailed to:
 Commander, Navy Personnel Command (PERS-802)
 5720 Integrity Drive

Millington, TN 38055-0000

For in-zone and above-zone eligible line officers in the grade of commander, the request must be received by PERS-802 not later than 2359 CST 15 days prior to the convening date of the respective board. For in-zone and above-zone eligible staff corps officers in the grade of commander, in-zone and above-zone eligible line and staff corps officers in the grade of lieutenant commander and lieutenant, and in-zone and above-zone chief warrant officers, the request must be received by PERS-802 not later than 2359 CST 30 days prior to the convening date of the respective board. Specifically:

Selection To	Convening Date	Due Date / Time
Line Captain	13 JAN 26	28 DEC 25 / 2359 CST
Staff Corps Captain	10 FEB 26	10 JAN 26 / 2359 CST
Line Commander	18 FEB 26	18 JAN 26 / 2359 CST
Staff Corps Commander	4 MAY 26	3 APR 26 / 2359 CST
Staff Corps Lieutenant Commander	4 MAY 26	3 APR 26 / 2359 CST
Line Lieutenant Commander	11 MAY 26	10 APR 26 / 2359 CST
Chief Warrant Officer 5/4/3/2	8 JUN 26	8 MAY 26 / 2359 CST

9. All officers are reminded of their responsibility to ensure the completeness and accuracy of their official records prior to the convening date of the board.

10. Questions regarding promotion should be directed to the MNCC by calling 1-833-330-MNCC (1-833-330-6622/DSN: 882-6622) or emailing ASKMNCC@navy.mil. Additional information is also available at
